FATWA WITH RESPECT TO THE ROYAL MINT PLATFORM

We, the undersigned are the scholars composing the Shariah Supervisory Board ('SSB') of Amanie Advisors LLC ('Amanie SSB') for the Royal Mint Platform ('Platform'), a platform that allows customers the opportunity to purchase, store and sell fully allocated physical gold and silver coins and bars ("Metal" or "Metals").

The customer has the ability to purchase Metal from The Royal Mint Vault using funds pre-loaded on the customer's holding via The Royal Mint website. The customer may have the Metal physically delivered or stored in the Vault.

Salient Features of the Platform

1. The Platform allows customers the use of a holding account where funds are stored. The accounts are 100% fully reserved, meaning that funds are held on trust and are not utilised and thus do not earn interest or profit.
2. Customers have the ability to purchase Metal in the form of gold and/or silver bars and coins, available through the Platform. Customers may also invest into pooled allocated physical gold stored as \$00oz bars in the Vault.
3. The Metal is sold by The Royal Mint from its existing inventory only. The exchange of Metal and cash takes place on spot, at the same time and during the session of the contract, as per the requirements of the AAOIFI Shariah Standard on Gold.
